Respondent,

v.

Aaron Jay Green

(Your name)

Appellant.

COURT OF APPEALS
 DIVISION II

11 SEP 27 PM 12:22

STATE OF WASHINGTON

No. 41166-1-II DEPUTY

**STATEMENT OF ADDITIONAL
 GROUNDS FOR REVIEW**

I, Aaron Green, have received and reviewed the ^{Reply} opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

My sentence under 09-1-00945-7 does not comply with the Dosa
Statute. As stated in this case (VRP pg. 8@17) "his sentence
range is actually no range". Thus the mid-point of the standard
range part of the statute, can not be met by the "No range"
sentence structure. A 60 month stat. max sentence is not
and can not ever be a mid point of anything, because it's
a whole number, not a range of numbers.

Additional Ground 2

The structure of my sentence under 09-1-1372-5 included
a range of 9-18 months community custody. Yet in the
09-1-00945-7 transcripts (pg. 9@19) the State states that
because of new case law, the Court can not give any
community custody on a statutory maximum sentence. Yet
3+ months later in 09-1-1372-5, they did just that.

If there are any additional grounds, a brief summary is attached to this statement.
